SPONSORED CYCLE FUND-RAISER

Anna Harris, who works at the Education Centre at the Abbey, came into school to talk to us about the work that her and her family are doing in Kenya. They visited a school for special needs children in Kenya and are now busy fundraising to help ensure that the school has water, equipment and a sturdy building to meet in each day.

After Anna had spoken to the children, the School Council met and decided that they would like to raise money for this charity. One idea that we have decided upon is to have a sponsored cycle ride, to see how many miles we can complete in one day and ask each child to bring in a donation. We would like everyone to get involved so we are going to use a static exercise bike in school. For some children in Meldon and Venford, the bike might be a bit big so they could ride a scooter instead – unless anyone has a smaller exercise bike (or stand that could be used with a small bike) that we could borrow on the day. The event will be held on Wednesday 4th July and we hope that everyone will enjoy the event. There will be more details coming out about this next week.
