

Friends of St Mary's

Dear All

We are always looking for new recruits to join us and help by becoming involved in raising money to support the school. The funds that we raise as a group benefit all our children and pay for amazing things such as electronics, play equipment, books, subsidising school trips and so much more! We welcome any help you that you can offer and it is a great way of meeting and befriending other parents. We generally communicate via a WhatsApp group to make things easy as we all lead busy lives. If you wish to join us, please just pop your contact details in to Mitzi and she will forward this so that you can be added to the group.

Covid has not made things easy and so this year we are keeping it to a minimum and hopefully we can organize some fun events in the New Year.

FOSM's are going to be having an informal meeting on the evening of the 10th December where we are going to be creating some wreath kits. We also have a lot of wrapping to do, so we usually like to make this a bit of a social event. Hopefully we will have some more numbers to add to the WhatsApp group and we will provide times via the group so if you want / can please do join up!

Many Thanks

The FOSM Team!
