

End of day arrangements **Prayer Focus**

Whilst the field is still too muddy to use, our older children use the car park during the day for PE sessions. **This means that the school gates will be locked until 3.00pm on Tuesdays and Thursdays.** Please could you ensure that you do not arrive before this time and queue on the road as this will cause traffic congestion for traffic wanting to travel up the hill towards Buckfastleigh. Thank you.

Secondhand Uniform

We have had a lot of requests recently from parents / carers for good second hand jumpers and cardigans. As a result our stocks are running low! If you have any uniform at home that no longer fits your child / children, we would be grateful for the donations.

Secondhand uniform is sold to parents for 30p per item with all funds raised going to FOSMs. It can be found on the rail by the playground door, opposite the school office.

The school subscribes to a weekly booklet called The Wednesday Word that can be accessed on our website or via the following link:

This week's words are 'good news' and the Gospel reading comes from St Luke (chapter 1, verses 1-4) and reminds us that Jesus came to renew our relationship with God and enrich our relationship with other people. It is easy to become jealous or selfish, but the Gospels remind us about how we should live. The word 'gospel' actually means 'good news'. How can we be 'good news' to people this week? Perhaps we could be welcoming to new people in the community or help to relieve poverty and injustice.

Our prayer this week is:

Dear Lord Jesus

Thank you for bringing good news to my family and the world. Please help us to be 'Good News' to everyone we meet this week.

Amen

Congratulations!

Age ratings

Parentzone have put together some information on age ratings, which can be accessed from the following link:

<https://parentzone.org.uk/article/-age-ratings-explained>

'Age ratings are used across many different types of online content and platforms, from films and TV shows, to social media, to games. But what might seem like a simple way for parents and carers to know what's safe and appropriate for their child is actually much more complex.

With different age ratings applied in different places, and the ratings not always taking into account everything a parent might want to consider when deciding whether a platform or piece of content is suitable for their child, there's a lot to get your head around. Our new guide will help the families and children you work with understand how they can use age ratings to make the right decisions for them.'
