

ST MARY'S CATHOLIC PRIMARY SCHOOL

PE SPORTS PREMIUM GRANT 2020-21

The aim of this extra funding is to impact positively on pupils' lifestyles and physical well-being. The five key indicators that the school should see improvement across are:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge, and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
